

Expressive Art and Design

We will be looking at the work of famous artists this term including Andy Warhol and Roy Liechtenstein. The children will produce their own movie posters using materials and ICT. In role as film makers they will also have a chance to take and edit their own photographs. As part of our

Understanding the World

As part of our Geography focus, we will be finding out about different parts of the world through film. We will be studying films based in the UK and in different countries, particularly those set in Norfolk and the capital cities of the UK. We will be looking at different types of travel and

Physical Education

We will be continuing with Dance and Games

PSED and Religious Education

We will be taking part in a whole school Buddhism Day in November where the children will learn all about the religion and its traditions. They will take part in yoga and meditation activities and learn all about reincarnation. They will also have the

Mathematics and Computing

We will continue to work on our number skills this term, with a focus on problem solving. We will also be learning about measures and will be making our own tables and graphs to link with our theme. The

Literacy

We will be reading Anthony Browne's book 'King Kong' this term, along with a selection of his other titles. We plan to give the children lots of opportunities to develop their speaking and listening skills through drama and discussion. They will

Communication and Language

A big part of our work this term will be focused around rehearsing and learning lines for the school production. Year 2 will take the lead roles in this and it will be a great opportunity for them to see how a show is directed, staged and performed. They will have lots of opportunity to work on expression and delivery. We will also be interviewing some
