

Year 1 CLJ

Through the Keyhole

Understanding the World

Through our imaginary lands we will be finding out more about Space, plants and fish. Using our 'All about Me' bags we will explore how we've grown and recognise and record the changes so far.

Physical Education

We will be developing our handwriting and strengthening our fine motor skills through a range of fun activities. In our gymnastics session we will learn how to move equipment safely and travel around the apparatus with good control.

PSED

Our 'All about Me' bags will provide the opportunity to learn more about each other. We will work on developing good relationships and respecting the differences between people.

Expressive Arts and Design

The children will be learning how to mix colour and use different paint effects including marbling. We will be making our own role-play props.

Literacy

In our literacy lessons we will be writing our own fantasy stories, drawing and labelling imaginary lands, describing characters, and writing invitations to our very own baboon's tea party.

Communication and Language

The Year 1 classrooms will be themed to encourage opportunities for communication through role-play. We will all participate in drama activities and get better at taking turns to speak and listen.

Mathematics and Computing

In our maths sessions we will be learning number bonds to 10 and 20, we will practise writing numbers up to 100 and use addition and subtraction to solve problems. There will be opportunities to measure trees and weigh ingredients when cooking. When we use the iPads or computers we will learn about internet safety and how to use Textease to present our work.
