

Literacy

In Literacy we will be reading traditional stories and begin to write our own.

Communication and Language

Through drama and role-play we will get better at retelling the stories that we have heard and talk about the characters.

Mathematics

We will learn how to weigh ingredients and read a scale when we make porridge and gingerbread men. There will be opportunities to measure and make slippers, crowns and wigs as we link our maths to our literacy.

PSED

Through philosophy and R' Time we will be exploring the themes of good and bad, beauty and ugliness and discuss how characters behave. We will also learn more about how to stay safe online and around strangers.

Physical Development

Our gymnastics sessions will continue next term and we will be focussing on using gestures and facial expressions to tell a story through dance.

Understanding the World

Using historical sources we will make comparisons between real-life royal families and story characters. We will also talk about how the British monarchy has changed throughout history

Expressive Arts and Design

We will be learning how to sew- this will enable us to design and make our own fairytale character puppets. We will even get to use these to retell familiar stories.

*You can find stories
wherever you look. Sit
back and relax, all you
need is a book.*
