At Lionwood we go the extra mile

School Telephone

Please accept our apologies and any inconvenience caused as a result of a technical issue with our main school telephone lines.

Thank you to parents who sent messages to us via the Junior School.
You can also contact us via email at office@lionwoodinfant.norfolk.sch.uk.

Thank you for your patience and understanding.

Attendance

Our overall school attendance is currently 93.5%, which is below our attendance target of 95%.

There is clear link between your child's attendance at school and their levels of achievement so it is important that they are in school regularly. Here are some easy to remember guidelines.

High temperature

If your child has a raised temperature they should stay off school. Once their temperature is normal they can return to school the next day if there are no other symptoms of concern.

Vomiting and Diarrhoea

Your child should not return to school until they have been free of symptoms for 48 hours.

Cough, minor cold or sore throat.

If your child appears to be coughing or complains of a sore throat but has no other symptoms they are probably fine to come to school. If you are unsure if your child is well enough to come to school please bring them in. If they develop a raised temperature, or we have concerns that they are too unwell to remain in school, we will contact you.

Finally, thank you to the majority of our parents who call the school to let us know their child is unwell. When leaving a message on the absence line please ensure you give a specific reason for their absence. In the event of the given reason being 'unwell' or 'not coming to school today' it is necessary for us to contact you by phone for more information.
