Registration Time!

We appreciate that there are occasional times when being late for school is unavoidable however, we still have a number of children arriving late each morning. Please remember that children need to be in class ready for the register to be taken at 8.55am.

If your child arrives late, you need to ensure that they are registered at the school office so that we know they are here and can make sure they have a lunch ordered. Unfortunately, if a child is late for school, Parents/Carers are unable to take their child to class as this is disruptive for the children whose learning has already started. The only exception will be for children where an individual arrangement has been made in view of their special needs.

Please help us to make your child's morning routine a calm and happy one by ensuring they are here on time. If you need any advice or support regarding this, please speak with Mrs Prior (our Senior Parent Support Adviser) and she will be happy to help you.

Our new Attendance Bear and Attendance Lion

For the week beginning 4 September, our winner for highest attendance with 100% was Sycamore Class.

Our Attendance Bear and Attendance Lion will be coming to spend some time with you in class this week.

School Coats

The weather is now starting to get much cooler so please ensure your child has a coat in school every day so that they can enjoy their time outside.

Thank you for your support.
