## Road Safety

Road Safety outside the school remains a concern.

It is important that it is safe for our children and families to cross the road so please refrain from parking or reversing on the zig zag lines outside the school, or blocking the road and/or school car park entrance, to drop off children. Please also note that the car park is for staff only.

Also, please make sure that children are safely strapped into suitable safety seats when they are being driven to and from school.
