05.11.2018

We hope you all had a lovely half term break!

School Attendance

Information regarding Attendance at School and Legal Intervention was sent home with your child/ren this week. This is to remind parents and carers that it is a legal requirement that their children attend school regularly and that absences will only be authorised in exceptional circumstances during term time. Should your child/ren require any leave, please ask the school office for an application form so signed approval is received prior to any leave being taken.

Reminder - contact details

- All up to date contact detail forms **MUST** be returned to school no later than Wednesday 7th November. It is important that we have up to date information for emergency contacts and sharing information between school and parents/carers.
- We are looking forward to launching our text messaging service for parents and carers very soon and for this to be effective, all up to date contact numbers must be provided.
