Children in Need - Friday 16th November

It's non-uniform day on Friday 16th November so children can come to school wearing their favourite spotty or striped outfits and raise money for this great cause.

Children can look out for Pudsey Bear laying in the hall or in the classrooms. Donations of loose change can be left with Pudsey! Thank you for your support.

Road Safety

Road Safety outside the school remains a concern.

It is important that it is safe for our children and families to cross the road so please do not park on the zig zag lines outside the school, or block the road and/or school car park entrance, to drop off children. Please also note that the car park is for staff only.

Christmas School Production

Just a reminder that tickets for the Christmas School Production will go on sale this week and can be bought from the Main Foyer at the front of school.

Monday and Tuesday - Year 1 & 2

Wednesday and Thursday - Reception and Nursery

Tickets can be exchanged for a bag of sugar (2 tickets per child).

Sugar donations will be sent to The Buckingham Sugar Appeal that supports night shelters for the homeless in Norwich during the Christmas period.

Parents Group – Tuesday 13th November

Parents Group is at the usual time on Tuesday between 9am and 11am. We will be preparing for the Christmas Fair and helping with production props for the Peter Pan play. Everyone welcome!

Questionnaire for parents and carers

If you have not done so already, please return the Parents and Carers Questionnaire forms to the school office. This feedback is very useful to help us ensure children are getting the best out of their education.

A form is attached with the newsletter.

Just a reminder to Nursery parents to bring in cake donations on Wednesday 14th November. Cakes will be on sale between 11.30am and 3.00pm.

All donations are welcome!

Reception and Nursery – Road Safety Training

Norfolk County Council will be coming in to school on the morning of Friday 16th November to deliver a Road Safety training course to Reception and Nursery children. This training course aims to enhance road safety knowledge and teaches basic skills.

School Production – Costumes

Your child brought home a letter regarding costumes for the School Production. As there will be a lot of changes of clothes and costumes, please make sure all items of clothing, including school uniform are named clearly to avoid items getting mixed up or lost.

Thank you

Water bottles

Please make sure your child brings a bottle of water into school each day.
